All annual subscriptions shall become due and payable in advance on the first day of January in each year and shall be paid by 28th February each year. Any member who has not paid by this date will be deemed unfinancial and will have benefits such as Golflink withdrawn and not be eligible for major events including the Monthly Medal until they become financial.

Members can apply for special consideration of payment of the annual subscription whereby a payment program can be approved by the secretary and/or Membership co-ordinator. In such cases, a part of the annual subscription must be paid by 28th February in order for the member to be deemed financial. If a member under such a program misses a payment, they will be deemed unfinancial.

The name of any member whose annual subscription remains unpaid after 28th February in any year may, at the option of the Committee, be struck off the members list, but such member may be re-elected by the Committee on the payment of all arrears.

Any member who, having paid their annual subscription, is by virtue of their livelihood required to retire from membership or leave the district, may on application to and at the discretion of the Committee have their annual subscription refunded on a pro-rata basis.

PRO-RATA PAYMENTS

Pro-rata payments of the annual membership subscription fee for new members joining the Association will commence in May of the joining year and will be determined by the month the new member joins. From January to April, the full annual subscription will be paid. The Junior Under 18 years category and Summer Membership will not be subject to pro-rata.

Pro-rata payments are to be calculated by dividing the full annual subscription fee of the membership category by 12 and then multiplying by the number of months left in the year, including the month of joining then rounding up to the next multiple of 5.
